

A gift of
love
this Christmas

Fyness Tembo

In Malawi, most families depend on farming, making them extremely vulnerable to the climate crisis.

Our church's Christmas gift could help more mums like Fyness Tembo lift their families out of hunger.

This Christmas, share the greatest gift of all – love.

Give, act and pray with us this Christmas.
Without gifts of love, it wouldn't be Christmas.

This Christmas our church has raised

as a gift of love for families in Malawi.

Now, more parents like Fyness Tembo will be able to feed their families and leave hunger behind.
